Dear Ms Pidgeon,

I refer to your letter of 4th September concerning Greenwich Foot Tunnel. You will not be surprised that I am in regular contact with the elected Assembly Member for Greenwich and Lewisham, Len Duvall and continue to update him on this matter as it progresses.

I am sure that once tenders for the works have been received and a detailed plan developed, Len will be able to update you at that time.

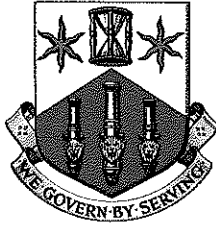

I shall also be pleased to update Councillors Webbewood and Woodcraft although neither has yet asked me to do so in any Council forum.

Yours sincerely,

Councillor Chris Roberts
Leader of the Council
